Innovative Special Education Support Educator with a strong focus on fostering life skills and independence among students with disabilities. With 7 years of experience, I have dedicated my career to helping students develop essential skills that prepare them for life beyond school. I believe in a holistic approach to education, integrating functional skills training with academic learning.

## WORK EXPERIENCE

### Life Skills Teacher | Pathways to Independence School

Jan 2022 – Present

- Developed and implemented life skills curricula for 12 students with disabilities.
- Facilitated community-based outings to teach practical skills such as grocery shopping and public transportation.
- Collaborated with parents to set and achieve personal goals for each student.
- Monitored student progress through personalized assessments and feedback sessions.
- Organized workshops for families on supporting life skills development at home.
- Coordinated with local businesses to provide work experience opportunities for students.

### Special Education Teacher | Community Learning Center

Jul 2019 – Dec 2021

- Taught academic subjects to students with disabilities while integrating life skills training.
- Implemented hands-on projects to enhance engagement and practical application of skills.
- Facilitated group discussions to promote teamwork and communication skills.
- Developed relationships with community resources to support student learning and development.
- Maintained records of student progress and communicated effectively with IEP teams.
- Organized inclusive school events that celebrated student achievements and diversity.
