SUMMARY

As a dedicated Special Education Teaching Consultant, I have spent over a decade fostering inclusive learning environments for students with diverse needs. My journey began as a classroom teacher, where I developed a passion for advocating for students with disabilities. I hold a Master's degree in Special Education and have certifications in various methodologies, including ABA and differentiated instruction.

WORK EXPERIENCE

Special Education Consultant Inclusive Learning Systems

Jan 2023 - Present

- Conducted comprehensive assessments to identify student needs and recommend appropriate interventions.
- Collaborated with educators to develop and implement individualized education programs (IEPs).
- Provided training sessions for staff focused on inclusive teaching techniques and compliance with educational regulations.
- Utilized data analytics to track student progress and refine instructional strategies.
- Facilitated workshops for parents on navigating special education resources and advocacy.
- Developed partnerships with community organizations to enhance support services for students.

Special Education Teacher Springfield High School

Jan 2020 - Dec 2022

- Implemented engaging lesson plans tailored to diverse learning styles and abilities.
 - Monitored student progress through regular assessments and adjusted approaches as needed.
 - Supported students emotionally and academically, fostering a safe classroom environment.
 - Participated in multi-disciplinary team meetings to ensure cohesive support for students.
 - Organized extracurricular activities that promoted social skills and peer interactions.
 - Maintained accurate and timely documentation of student progress and compliance with IEPs.
-
