MICHAEL ANDERSON

SPECIAL EDUCATION CONSULTANT

As a Special Education Teaching Consultant with 8 years of experience, I specialize in creating inclusive educational environments for students with learning disabilities. My background as a classroom teacher has equipped me with the skills to identify specific learning needs and adapt curricula accordingly. I hold a degree in Special Education and have completed numerous workshops in assistive technologies.

PROFESSIONAL EXPERIENCE

Learning Innovations Group

Mar 2018 - Present

Special Education Consultant

- Provided insights on best practices for implementing IEPs across various educational settings.
- Conducted training on assistive technology tools to enhance learning for students.
- Collaborated with classroom teachers to co-teach and model inclusive practices.
- Developed customized learning materials that align with individual student needs.
- Facilitated workshops that addressed the challenges faced by students with learning disabilities.
- Engaged in regular data analysis to evaluate student outcomes and program effectiveness.

Southside Middle School

Dec 2015 - Jan 2018

Special Education Teacher

- Implemented individualized learning strategies that resulted in a 20% increase in student performance.
- Designed and executed lesson plans that catered to diverse learning styles.
- Maintained open communication with families to discuss student progress and challenges.
- Led interventions for students struggling with social and emotional challenges.
- Utilized technology to create engaging and interactive lessons.
- Participated in professional learning communities to share resources and strategies.

ACHIEVEMENTS

- Improved overall student satisfaction ratings by 25% in annual surveys.
- Developed a resource toolkit for teachers that streamlined IEP documentation.
- Recognized for exemplary service with a 'Teacher of the Year' award in 2018.
