Michael Anderson

EDUCATIONAL CONSULTANT

As a passionate Special Education Teaching Consultant, I have dedicated my career to enhancing educational practices for students with disabilities. With a strong background in mental health, I bring a unique perspective to special education, understanding the emotional and psychological aspects of learning challenges. My journey began as a school psychologist, where I learned the importance of addressing both academic and emotional needs.

EXPERIENCE

EDUCATIONAL CONSULTANT

Mental Health Education Services

2016 - Present

- Provided expertise in mental health strategies for special education programs.
- Trained educators on integrating mental health awareness into curriculum.
- Conducted assessments to identify mental health needs impacting learning.
- Developed resources for teachers to support students' emotional well-being.
- Facilitated community workshops to raise awareness about mental health in education.
- Collaborated with school counselors to create support networks for students.

SCHOOL PSYCHOLOGIST

Liberty School District

2014 - 2016

- Conducted psychological assessments to inform IEP development.
- Provided counseling services to students facing emotional challenges.
