MICHAEL ANDERSON

High School Special Education Teacher

Motivated and detail-oriented Special Education Teaching Professional with over 4 years of experience in a high school setting. I specialize in teaching students with learning disabilities and emotional disturbances, striving to create a safe and engaging learning environment. My teaching philosophy emphasizes the importance of understanding each student's unique challenges and strengths.

WORK EXPERIENCE

High School Special Education Teacher

2020-2023

Westside High School

- Designed and implemented individualized lesson plans for students with varying disabilities.
- Integrated social-emotional learning into the curriculum to enhance student well-being.
- Facilitated regular communication with parents regarding student progress and challenges.
- Collaborated with school counselors to support student mental health initiatives.
- Monitored and assessed student progress to inform instructional strategies.
- Organized extracurricular activities to promote social skills and peer interactions.

Special Education Paraeducator

2019-2020

Northview School District

- Supported lead teacher in daily classroom activities and instruction for special needs students.
- Assisted with the implementation of IEPs and classroom management strategies.
- Facilitated small group instruction to reinforce learning concepts.
- Developed rapport with students to foster a positive learning environment.
- Provided feedback to teachers on student progress and behavior.
- Encouraged student participation in class discussions and activities.

ACHIEVEMENTS

- Recognized for outstanding contributions to student engagement in 2021.
- Improved student performance on standardized tests by 25% in one academic year.
- Developed a mentorship program that paired students for peer support, enhancing social skills.
