### ACHIEVEMENTS

- Played a key role in achieving a 40% increase in parent engagement in IEP meetings.
- Recognized for developing a successful mentorship program for new special education teachers.
- Contributed to a research study that identified effective strategies for inclusion in mainstream classrooms.

### PROFILE

Accomplished Special Education Teaching Specialist with over 10 years of experience in fostering student development and promoting inclusive practices in primary and secondary education. My background includes designing curriculum modifications and teaching strategies tailored to meet the unique needs of students with learning disabilities. I pride myself on my ability to create a nurturing and positive classroom environment, where students feel safe and encouraged to express themselves.

### EXPERIENCE

#### LEAD SPECIAL EDUCATION TEACHER

##### Greenwood High School

*2016 - Present*

- Led a team of 5 special education teachers in implementing a district-wide program for students with disabilities.
- Designed and adapted curriculum materials to meet individual student needs effectively.
- Conducted regular training sessions for staff on current special education legislation and best practices.
- Developed partnerships with local organizations to provide additional support and resources for families.
- Implemented behavioral interventions that resulted in a 25% decrease in classroom disruptions.
- Monitored student progress and adjusted IEPs based on ongoing assessments and feedback.

#### SPECIAL EDUCATION ADVOCATE

##### Community Support Network

*2014 - 2016*

- Worked with families to ensure access to appropriate educational resources and support services.
- Conducted workshops on navigating the special education process for parents and guardians.
- Collaborated with school districts to improve policies and practices for special education services.
- Facilitated support groups for parents of children with disabilities to share experiences and resources.
- Developed informational materials to raise awareness about special education rights and resources.
- Served as a liaison between families and educational institutions to resolve conflicts and advocate for student needs.
