MICHAEL ANDERSON

TECHNOLOGY INTEGRATION SPECIALIST

Dynamic and innovative Special Education Teaching Specialist with a focus on technology integration to enhance learning for students with disabilities. With 6 years of experience, I have successfully used various educational technologies to support individualized learning experiences. My approach combines traditional teaching methods with modern tools to address the unique challenges faced by each student.

PROFESSIONAL EXPERIENCE

Future Ready Academy

Mar 2018 - Present

Technology Integration Specialist

- Implemented technology-based interventions to support learning for students with disabilities.
- Trained teachers on the effective use of assistive technology in the classroom.
- Evaluated and selected educational software to meet the diverse needs of students.
- Monitored student engagement and progress through data analysis and reporting.
- Facilitated workshops for parents on technology tools to support learning at home.
- Collaborated with special education teams to integrate technology into IEP goals.

Sunrise Middle School

Dec 2015 - Jan 2018

Special Education Teacher

- Developed and delivered engaging lesson plans tailored to the needs of students with learning disabilities.
- Utilized interactive whiteboards and educational apps to enhance classroom instruction.
- Tracked and reported on student progress using digital assessment tools.
- Collaborated with general education teachers to create inclusive classroom environments.
- Organized technology fairs to showcase student projects and achievements.
- Participated in committees to promote technology integration across the curriculum.

ACHIEVEMENTS

- Increased student technology proficiency by 35% through targeted intervention programs.
- Recognized with the 'Innovative Educator Award' for outstanding use of technology in special education.
- Successfully led a project that resulted in a 20% increase in student participation in classroom activities.
