- Received recognition for innovative approaches to early childhood special education at a state conference.

Michael Anderson

EARLY CHILDHOOD SPECIAL EDUCATION TEACHER

Resourceful Special Education Teaching Specialist with over 7 years of experience in early childhood education, focusing on children with developmental delays. My approach emphasizes play-based learning to engage young learners and facilitate their developmental milestones. I am skilled in creating individualized lesson plans that cater to various learning styles and needs, ensuring that all students can thrive in the classroom setting.

EXPERIENCE

EARLY CHILDHOOD SPECIAL EDUCATION TEACHER

Little Learners Academy

2016 - Present

- Developed individualized lesson plans tailored to the developmental needs of young children with disabilities.
- Implemented play-based learning strategies to enhance social and cognitive skills.
- Collaborated with speech and occupational therapists to integrate therapy goals into classroom activities.
- Organized family engagement activities to encourage parent participation in their child's education.
- Maintained detailed records of student progress and communicated effectively with families.
- Participated in community outreach programs to promote awareness of early intervention services.

SPECIAL EDUCATION COORDINATOR

Citywide School District

2014 - 2016

- Oversaw the implementation of special education services in early childhood programs across the district.
- Conducted training sessions for educators on best practices in early childhood special education.
- Collaborated with community organizations to provide resources and support for families.
- Monitored compliance with federal and state regulations regarding special education.
- Analyzed data to evaluate the effectiveness of early intervention programs.
- Advocated for increased funding for special education resources and services.
