

Michael

ANDERSON

PEDIATRIC SPEECH THERAPIST

Enthusiastic Speech Therapist with a focus on pediatric therapy and early intervention. With over 5 years of experience, I have a passion for working with children who have speech and language delays and disorders. My therapeutic approach is centered around play-based learning, which helps engage children in a fun and interactive environment.

WORK EXPERIENCE

PEDIATRIC SPEECH THERAPIST

Little Stars Therapy Center

2020 - 2025

- Provided speech therapy services to children aged 2-10 with a variety of speech and language disorders.
- Developed and executed fun, engaging therapy activities that improved speech clarity and language skills.
- Collaborated with families to establish achievable goals for their child's speech development.
- Conducted ongoing assessments to track progress and adapt therapy techniques as needed.
- Worked closely with preschool staff to integrate speech goals into classroom activities.
- Organized community workshops to educate parents on speech and language milestones.

SPEECH THERAPIST

Bright Futures Academy

2015 - 2020

- Provided individual and group therapy sessions for children with speech and language challenges.
- Designed customized therapy sessions that incorporated play and interaction.
- Assessed children's speech and language abilities using standardized testing and observational methods.
- Engaged in regular communication with parents regarding their child's progress and strategies for home practice.
- Participated in IEP meetings to support students' educational goals.
- Created a resource library for families to access speech development materials.
