EDUCATION

Bachelor of Science in Environmental Engineering

University of Texas
2016-2020

SKILLS

- Data Analysis
- Performance Optimization
- Technical Reporting
- Team Collaboration
- Research Skills
- Software Proficiency

LANGUAGES

- English
- Spanish
- French

WORK EXPERIENCE

Junior Speed Analyst

2020-2023

PowerMetrics Inc.

- Assisted in the analysis of energy consumption data to identify improvement areas.
- Supported the development of performance reports for management review.
- Utilized analytical tools to model energy demand scenarios.
- Collaborated with senior analysts on optimization projects.
- Participated in team meetings to discuss project progress and findings.
- Engaged in continuous learning to enhance analytical skills.

Data Analyst Intern

2019-2020

EcoPower Solutions

- Conducted preliminary data analysis to support senior analysts.
- Assisted in preparing reports detailing energy efficiency findings.
- Utilized software tools to visualize data trends.
- Engaged in research on emerging energy technologies.
- Participated in project meetings to gain insights into industry practices.
- Contributed to the development of data collection methodologies.

ACHIEVEMENTS

- Contributed to a 15% increase in energy efficiency in pilot projects.
- Recognized for outstanding performance during internship program.
- Assisted in the successful implementation of energy-saving initiatives.
