# MICHAEL ANDERSON

## ASSISTANT PROFESSOR OF SPORTS MANAGEMENT

Innovative and committed Sports Management Educator with a rich background in both academic and practical applications of sports management principles. Over 12 years of experience in teaching and curriculum design, with a focus on sports analytics and event management. Adept at integrating technology into the classroom to enhance learning outcomes and student engagement.

## **PROFESSIONAL EXPERIENCE**

### **Institute of Sports and Health**

*Mar 2018 - Present*

Assistant Professor of Sports Management

- Developed and taught courses on sports analytics and event management.
- Implemented hands-on projects that involved real-world data analysis.
- Advised student-led sports events, enhancing practical experience.
- Collaborated with faculty on interdisciplinary research projects.
- Utilized learning management systems to track student progress and engagement.
- Presented at national conferences on innovative teaching practices in sports.

### **Community College of Sports Studies**

*Dec 2015 - Jan 2018*

Lecturer in Sports Management

- Taught courses in sports marketing and management principles.
- Engaged students through interactive learning methods such as role-playing.
- Facilitated partnerships with local sports teams for experiential learning.
- Conducted workshops on career readiness and professional development.
- Monitored student performance and provided constructive feedback.
- Led community outreach programs to promote sports participation.

## **ACHIEVEMENTS**

- Increased student enrollment in sports management courses by 30% through innovative marketing strategies.
- Recognized for excellence in teaching with the College Teaching Award in 2020.
- Published research on the effectiveness of experiential learning in sports education.
