WORK EXPERIENCE

Municipal Irrigation Coordinator

2020-2023

City of Springfield

- Coordinated the installation and maintenance of municipal irrigation systems across public parks.
- Engaged with community stakeholders to identify irrigation needs and opportunities.
- Developed and managed project budgets to ensure cost-effective solutions.
- Conducted assessments of existing systems to recommend upgrades and improvements.
- Led public workshops on water conservation practices.
- Collaborated with environmental agencies to align projects with sustainability goals.

Irrigation Technician

2019-2020

Green City Solutions

- Assisted in the setup and maintenance of irrigation systems for urban landscapes.
- Performed routine inspections to identify and resolve system issues.
- Documented service activities and maintained accurate client records.
- Participated in community outreach programs to promote sustainable irrigation.
- Provided technical support to municipal staff on system operations.
- Trained volunteers on irrigation best practices during community events.

ACHIEVEMENTS

- Successfully reduced water usage in municipal parks by 15% through efficient system design.
- Received 'Community Service Award' for outstanding contributions to urban sustainability.
- Implemented a city-wide irrigation efficiency program recognized by local government.
