MICHAEL ANDERSON

SENIOR SET CARPENTER

Expert Stage and Set Carpenter with over a decade of experience in creating immersive environments for theater and live events. Proficient in the latest carpentry technologies and materials, ensuring that each project is not only visually stunning but also structurally sound. Esteemed for the ability to interpret complex designs and translate them into tangible constructions that enhance the audience's experience.

PROFESSIONAL EXPERIENCE

Epic Productions

Mar 2018 - Present

Senior Set Carpenter

- Led a team in the construction of large-scale sets for international tours.
- Developed innovative solutions to optimize set design for travel.
- Collaborated with lighting and sound teams to create cohesive productions.
- Conducted training workshops for new carpenters on best practices.
- Maintained high standards of craftsmanship throughout all projects.
- Evaluated and implemented new technologies for set construction.

Theater Arts Company

Dec 2015 - Jan 2018

Set Builder

- Constructed detailed set pieces according to artistic designs and specifications.
- Worked closely with designers to adapt designs for practical implementation.
- Operated various woodworking machinery and hand tools with precision.
- Participated in the teardown and storage of sets after performances.
- Assured compliance with safety protocols during all construction phases.
- Enhanced the design process through creative problem-solving and flexibility.

ACHIEVEMENTS

- Awarded 'Best Set Construction' at the Global Theater Festival.
- Successfully managed a project that received critical acclaim for its design.
- Introduced new safety protocols that reduced workplace incidents by 30%.
