MICHAEL ANDERSON

PROGRAM EVALUATION SPECIALIST

Accomplished Standards and Assessment Specialist with over seven years of experience in the nonprofit sector, specializing in educational program evaluation and assessment design. I am passionate about improving educational outcomes for underserved populations. My work has focused on developing assessments that not only measure learning but also provide actionable insights for program improvement.

PROFESSIONAL EXPERIENCE

Education for All Foundation

Mar 2018 - Present

Program Evaluation Specialist

- Designed assessments to evaluate the impact of educational programs on student outcomes.
- Collaborated with community stakeholders to align assessments with local educational needs.
- Conducted data analysis to identify trends and inform program improvements.
- Facilitated training for educators on data-driven decision-making.
- Prepared comprehensive evaluation reports for funders and stakeholders.
- Implemented feedback loops to enhance program delivery based on assessment results.

Community Learning Center

Dec 2015 - Jan 2018

Assessment Consultant

- Developed assessment tools to measure student engagement and learning outcomes.
- Worked with teachers to integrate assessment data into instructional practices.
- Evaluated the effectiveness of educational interventions through robust data analysis.
- Provided recommendations for program enhancements based on assessment findings.
- Engaged with parents and community members to gather feedback on assessment practices.
- Presented evaluation findings at national conferences to share best practices.

ACHIEVEMENTS

- Improved program outcomes by 30% through targeted assessment and evaluation strategies.
- Received an award for outstanding contribution to educational equity initiatives.
- Successfully secured funding for assessment projects that benefited over 1,000 students.
