Michael Anderson

ASSESSMENT SPECIALIST

Innovative Standards and Assessment Specialist with over six years of experience in the K-12 education sector, focusing on formative and summative assessment development. My career has been dedicated to creating assessments that not only evaluate student performance but also enhance instructional practices. I have a robust understanding of educational standards and am adept at integrating technology into assessment processes.

EXPERIENCE

ASSESSMENT SPECIALIST

Sunshine School District

2016 - Present

- Developed and implemented formative assessments to support instructional decisions.
- Collaborated with teachers to analyze assessment results and improve teaching strategies.
- Provided professional development on assessment literacy for educators.
- Utilized data visualization tools to present assessment findings to stakeholders.
- Facilitated parent workshops to communicate assessment processes and results.
- Monitored assessment administration and compliance with district policies.

CURRICULUM AND ASSESSMENT COORDINATOR

Maple Leaf Academy

2014 - 2016

- Designed summative assessments aligned with state standards and learning objectives.
- Worked with curriculum teams to ensure assessments reflect instructional goals.
- Conducted training sessions for staff on effective assessment practices.
- Analyzed student data to inform curriculum adjustments and interventions.
- Developed resources for teachers to enhance assessment practices.
- Engaged in community outreach to gather feedback on assessment perceptions.
