Strategic Standards and Assessment Specialist with extensive experience in public policy and educational assessment. With over 12 years in the field, I have a proven track record of developing and implementing assessment frameworks that guide policy decisions and enhance educational accountability. My expertise encompasses both qualitative and quantitative research methodologies, enabling me to analyze complex data sets and derive actionable insights.

WORK EXPERIENCE

Senior Policy Analyst   2020-2023

Department of Education

- Developed assessment policies that align with national educational standards.
- Conducted research on the impact of assessment practices on student outcomes.
- Collaborated with educational leaders to refine assessment frameworks.
- Presented policy recommendations to state legislators and stakeholders.
- Analyzed data trends to inform educational policy development.
- Managed stakeholder engagement initiatives to gather input on assessment reforms.

Assessment Consultant   2019-2020

National Education Association

- Provided guidance on assessment best practices to educational institutions nationwide.
- Conducted workshops on the use of assessment data to drive educational reform.
- Collaborated with research teams to evaluate the effectiveness of assessment policies.
- Developed resources for educators on equitable assessment practices.
- Monitored compliance with federal assessment regulations.
- Engaged with community stakeholders to promote transparency in assessment processes.

ACHIEVEMENTS

- Influenced state educational policy changes that resulted in improved assessment practices for over 500,000 students.
- Recognized for excellence in policy analysis with the National Policy Award.
- Successfully led initiatives that increased public awareness of assessment equity issues.
