Proactive Standards and Assessment Specialist with a strong foundation in international education and cross-cultural assessment practices. With over five years of experience, I have developed and implemented assessment frameworks that cater to diverse educational contexts globally. My background includes working with international organizations to design assessments that respect cultural differences while ensuring validity and reliability.

## WORK EXPERIENCE

### International Assessment Specialist | Global Education Organization

Jan 2022 – Present

- Designed culturally responsive assessments for diverse learner populations.
- Collaborated with international teams to evaluate the effectiveness of assessment methodologies.
- Conducted training sessions on best practices for assessing multicultural students.
- Analyzed assessment data to identify trends across different educational contexts.
- Prepared reports highlighting the impact of assessments on global education initiatives.
- Engaged in outreach efforts to promote equitable assessment practices.

### Assessment and Evaluation Consultant | World Education Fund

Jul 2019 – Dec 2021

- Developed assessment frameworks for international educational programs.
- Worked with educators to adapt assessments to local cultural contexts.
- Facilitated focus groups to gather feedback on assessment implementation.
- Evaluated the effectiveness of educational interventions through data analysis.
- Provided recommendations for enhancing assessment validity and reliability.
- Presented findings at international conferences on education and assessment.
