MICHAEL ANDERSON

PROJECT MANAGER - STEEL FABRICATION

Seasoned Steel Craft Worker with a rich history of contributions to the steel construction industry, showcasing a unique blend of technical skills and project management expertise. Highly skilled in the fabrication and assembly of heavy steel structures, with a proven ability to lead teams in high-pressure environments. Exceptional attention to detail and a commitment to quality assurance ensure that all work meets stringent industry standards.

PROFESSIONAL EXPERIENCE

Global Steel Solutions

Mar 2018 - Present

Project Manager - Steel Fabrication

- Managed steel fabrication projects from conception through execution, ensuring timely delivery.
- Coordinated cross-functional teams to align project objectives and client requirements.
- Oversaw budget management, achieving cost efficiencies of up to 20% on major projects.
- Conducted site inspections to ensure adherence to safety and quality standards.
- Implemented project tracking systems that improved communication and accountability.
- Developed strong client relationships, leading to repeat business opportunities.

Steel Masters Co.

Dec 2015 - Jan 2018

Senior Steel Fabricator

- Fabricated complex steel structures using advanced welding and cutting techniques.
- Mentored junior fabricators, enhancing team skill sets and productivity.
- Monitored project progress and quality assurance protocols to meet deadlines.
- Designed and implemented a safety training program, reducing incidents by 30%.
- Collaborated with design teams to optimize fabrication processes.
- Maintained comprehensive documentation of fabrication processes for compliance audits.

ACHIEVEMENTS

- Successfully delivered a \$2 million project ahead of schedule and under budget.
- Recognized with a leadership award for exemplary project management practices.
- Achieved a 100% safety compliance rating during tenure as Project Manager.
