## WORK EXPERIENCE

### Steel Welder/Fabricator

2020-2023

Ultimate Steel Works

- Executed high-quality welding and fabrication of steel components for various projects.
- Reviewed project plans and specifications to ensure compliance with standards.
- Utilized both MIG and TIG welding techniques to meet specific project needs.
- Conducted thorough inspections of finished products to assure quality.
- Maintained a clean and organized work environment to promote safety.
- Collaborated with team members to troubleshoot and resolve fabrication issues.

### Junior Steel Worker

2019-2020

Steel Fabrication Solutions

- Assisted in the fabrication and assembly of steel structures under senior supervision.
- Learned and applied various welding techniques to contribute to project goals.
- Participated in safety training sessions to ensure compliance with best practices.
- Helped maintain workshop equipment and tools for optimal performance.
- Documented fabrication processes to support quality assurance measures.
- Engaged in team discussions to improve production efficiency.

## ACHIEVEMENTS

- Achieved recognition for consistently meeting project deadlines and quality standards.
- Contributed to a 30% reduction in project costs through efficient practices.
- Received positive feedback from supervisors for teamwork and dedication.
