# Michael Anderson

## PROJECT MANAGER – STONE APPLICATIONS

Dynamic stone craft artisan with a focus on commercial stone applications, distinguished by the ability to deliver large-scale projects that meet the demands of modern architecture. Expertise in managing end-to-end project lifecycles, from initial design through to execution and final delivery, ensuring that all client specifications are met with precision. A strategic thinker, capable of analyzing project requirements and developing innovative solutions that maximize both functionality and aesthetic appeal.

## EXPERIENCE

### PROJECT MANAGER – STONE APPLICATIONS

Commercial Stone Solutions

2016 - Present

- Managed large-scale stone installation projects for commercial clients.
- Coordinated with architects and contractors to ensure project alignment.
- Oversaw budgeting and resource allocation for multiple concurrent projects.
- Implemented quality assurance protocols to enhance project outcomes.
- Developed and maintained strong client relationships for repeat business.
- Conducted post-project evaluations to identify areas for improvement.

### STONE FABRICATOR AND INSTALLER

Urban Stoneworks

2014 - 2016

- Fabricated and installed stone solutions for commercial spaces.
- Collaborated with design teams to ensure alignment with client visions.
- Utilized advanced machinery for precision cutting and shaping.
- Maintained project schedules to ensure timely completions.
- Engaged in client consultations to tailor solutions to specific needs.
- Trained new staff in fabrication and installation techniques.
