

MICHAEL ANDERSON

SENIOR STONE MASON

PROFILE

Distinguished stone mason with extensive experience in luxury residential projects, specializing in custom stone installations that enhance aesthetic appeal and structural integrity. Adept at interpreting client visions into tangible designs, ensuring that each project reflects a unique blend of artistry and functionality. Proven track record of collaborating with high-end architects and designers, delivering exceptional results while adhering to strict timelines and budgets.

EXPERIENCE

SENIOR STONE MASON

Elite Stone Designs

2016 - Present

- Oversaw all aspects of stone installation for luxury residential projects.
- Collaborated closely with interior designers to create bespoke stone features.
- Executed detailed stone carvings and custom designs per client specifications.
- Monitored project progress and communicated updates to clients regularly.
- Managed procurement of high-quality stone materials from premium suppliers.
- Trained and supervised junior masons in advanced installation techniques.

STONE MASON APPRENTICE

Custom Stone Creations

2014 - 2016

- Assisted in the installation of stone countertops and backsplashes.
- Learned various stone cutting and shaping techniques under expert supervision.
- Maintained a clean and organized work environment to promote safety.
- Participated in client consultations to understand project requirements.
- Gained hands-on experience with different types of stone materials.
- Contributed to the design process by providing input on material selection.
