MICHAEL ANDERSON

NARRATIVE DESIGNER

Innovative Story Writer with a focus on digital storytelling and transmedia narratives, leveraging over five years of experience in the gaming and multimedia industries. Expertise in creating immersive narratives that enhance user engagement and foster emotional connections within interactive environments. Proven ability to collaborate with game designers and developers to align storylines with gameplay mechanics, ensuring a cohesive user experience.

PROFESSIONAL EXPERIENCE

Epic Game Studios

Mar 2018 - Present

Narrative Designer

- Developed character backstories and dialogue for multiple game titles.
- Collaborated with design teams to align narrative with gameplay mechanics.
- Participated in playtesting sessions to refine story integration.
- Created branching narratives that enhance player agency and engagement.
- Utilized feedback from players to iterate on story elements.
- Presented narrative concepts to stakeholders for project buy-in.

Digital Media Hub

Dec 2015 - Jan 2018

Content Writer

- Wrote engaging articles and stories for various online platforms.
- Developed content strategies to increase user interaction.
- Analyzed analytics to tailor content to audience preferences.
- Collaborated with marketing teams to promote interactive content.
- Participated in brainstorming sessions to enhance creative direction.
- Ensured consistency in brand voice across all digital platforms.

ACHIEVEMENTS

- Contributed to a game that won the Game Developers Choice Award for Best Narrative.
- Increased player retention rates by 40% through enhanced storytelling.
- Recognized for innovative approach to narrative design in interactive media.
