EDUCATION

Certificate in Fabrication Technology

Trade School of Excellence
2018

SKILLS

- Mechanical Aptitude
- Safety Compliance
- Team Collaboration
- Technical Drawing Interpretation
- Equipment Operation
- Project Support

LANGUAGES

- English
- Spanish
- French

WORK EXPERIENCE

Structural Fabricator

2020-2023

Precision Fabrication Group

- Fabricated structural components for residential and commercial buildings.
- Operated welding equipment and hand tools with precision.
- Ensured compliance with safety regulations during all fabrication activities.
- Supported project managers in tracking progress and materials.
- Collaborated with team members to optimize fabrication processes.
- Maintained an organized workspace to promote safety and efficiency.

Apprentice Structural Fabricator

2019-2020

Craftsman Builders

- Assisted experienced fabricators in the preparation and assembly of structural components.
- Learned to interpret technical drawings and specifications accurately.
- Participated in safety training sessions and adhered to protocols.
- Maintained tools and equipment in proper working condition.
- Provided support in project planning and material handling.
- Ensured a clean and organized work environment at all times.

ACHIEVEMENTS

- Recognized for exceptional dedication to quality and safety in fabrication.
- Contributed to a 12% increase in overall productivity on projects.
- Achieved high performance ratings during apprenticeship evaluation.
