Michael Anderson

SUBJECT TEACHER

Compassionate Subject Teacher with a strong focus on social-emotional learning and community engagement. With over 6 years of experience in education, I prioritize student well-being and academic success. My teaching philosophy revolves around creating a safe and inclusive environment where students feel valued and motivated to learn. I have successfully integrated social-emotional learning into my curriculum to help students develop resilience and empathy.

EXPERIENCE

SUBJECT TEACHER

Maplewood High School

2016 - Present

- Implemented a social-emotional learning curriculum that improved student relationships and classroom dynamics.
- Engaged in community outreach programs that connected students with local resources.
- Facilitated conflict resolution workshops to promote a positive school environment.
- Developed individualized education plans to support diverse learning needs.
- Collaborated with school counselors to provide comprehensive support for students.
- Achieved a 15% increase in student attendance through community engagement efforts.

SUBJECT TEACHER

Green Valley Academy

2014 - 2016

- Designed lesson plans that incorporated social-emotional learning principles into academic content.
- Organized community service projects that allowed students to apply their learning in real-world contexts.
- Facilitated workshops for parents on supporting students' emotional health.
- Monitored student social-emotional progress and adjusted strategies as needed.
- Created a mentorship program pairing older and younger students for support.
- Increased student participation in school activities by 30% through engagement initiatives.
