Michael Anderson

SUBSTANCE ABUSE COUNSELOR

Detail-oriented and empathetic Substance Abuse Counselor with over 6 years of experience in the healthcare sector. I have worked in hospital settings, where I provided crucial support to patients dealing with substance use disorders. My expertise lies in developing comprehensive treatment plans that address both physical and psychological aspects of addiction.

EXPERIENCE

SUBSTANCE ABUSE COUNSELOR

City Hospital Behavioral Health Unit

2016 - Present

- Provided assessment and counseling services to patients in a hospital setting, focusing on substance use disorders.
- Collaborated with medical staff to develop integrated treatment plans for patients.
- Facilitated group therapy sessions to encourage peer support among patients.
- Conducted crisis interventions for patients experiencing acute withdrawal symptoms.
- Educated patients and families on addiction and recovery processes.
- Maintained comprehensive documentation of patient progress in compliance with healthcare regulations.

COUNSELING INTERN

Hope Recovery Services

2014 - 2016

- Assisted in providing individual and group counseling sessions under supervision.
- Conducted intake assessments and collected relevant patient history.
- Supported patients in developing coping strategies and recovery goals.
- Participated in team meetings to discuss patient care and treatment strategies.
- Maintained confidentiality and accurate records in accordance with HIPAA regulations.
- Engaged in community outreach to promote substance abuse awareness and recovery resources.
