SKILLS

- Supply Chain Technology
- Instructional Design
- Simulation Software
- Project Mentorship
- Data Analysis
- Technology Integration

EDUCATION

MASTER OF SCIENCE IN INFORMATION SYSTEMS, CARNEGIE MELLON UNIVERSITY

LANGUAGE

- English
- Spanish
- German

ACHIEVEMENTS

- Recipient of the 'Innovative Educator Award' for exceptional use of technology in teaching.
- Increased student engagement through technology-enhanced learning methods by 30%.
- Published research on the impact of technology on supply chain efficiency in leading journals.

Michael Anderson

TECHNOLOGY-ENHANCED SUPPLY CHAIN INSTRUCTOR

Seasoned Supply Chain Instructor with a background in information technology and supply chain integration. Over 15 years of experience in academic and corporate settings, focusing on the intersection of technology and supply chain management. Proven ability to teach complex concepts through innovative instructional techniques and hands-on learning experiences. Strong advocate for the integration of technology in supply chain education, preparing students for a tech-driven marketplace.

EXPERIENCE

TECHNOLOGY-ENHANCED SUPPLY CHAIN INSTRUCTOR

TechForward University

2016 - Present

- Designed and taught courses on the integration of technology in supply chain management.
- Utilized simulation software to provide students with practical, hands-on experience.
- Collaborated with tech companies to offer guest lectures and workshops.
- Conducted assessments to evaluate student proficiency in supply chain technologies.
- Mentored students on technology-related projects and research.
- Organized hackathons focused on supply chain problem-solving using technology.

SUPPLY CHAIN IT CONSULTANT

FutureTech Solutions

2014 - 2016

- Advised clients on technology integration within their supply chain operations.
- Developed software solutions that improved supply chain visibility and efficiency.
- Conducted training sessions for employees on new technology implementations.
- Analyzed data to identify opportunities for process improvements.
- Collaborated with cross-functional teams to ensure seamless technology adoption.
- Prepared documentation and reports for stakeholders on technology performance.
