### ACHIEVEMENTS

- Recognized as 'Employee of the Month' for outstanding patient care in 2020.
- Developed a patient education brochure that improved understanding of post-operative care.
- Participated in a community health fair, providing education on surgical procedures.

### PROFILE

Compassionate Surgical Care Nurse with 5 years of experience in a high-volume surgical environment. Adept at managing multiple patient care needs simultaneously while maintaining a calm demeanor. Proven track record of improving patient education and compliance, which has resulted in enhanced recovery outcomes. Well-versed in the latest surgical techniques and post-operative care protocols, with strong communication skills to effectively liaise with patients and their families.

### EXPERIENCE

#### SURGICAL CARE NURSE

##### Regional Surgical Center

*2016 - Present*

- Conducted pre-operative evaluations to ensure patient readiness for surgery.
- Provided post-operative care and monitored patients for complications.
- Educated patients on pain management strategies and wound care.
- Assisted in developing patient care plans tailored to individual needs.
- Facilitated communication between patients, families, and the surgical team.
- Documented nursing interventions accurately in electronic health records.

#### NURSE INTERN

##### Community Hospital

*2014 - 2016*

- Supported surgical teams in preparing operating rooms and equipment.
- Shadowed experienced nurses to learn post-operative care procedures.
- Assisted in patient assessments and documentation during shifts.
- Participated in patient education sessions focused on surgical procedures.
- Engaged with patients to provide emotional support pre- and post-surgery.
- Contributed to team meetings to discuss patient care improvements.
