- (555) 234-5678
- michael.anderson@email.com

Enthusiastic and patient-focused Surgical Care Nurse with 6 years of experience in outpatient and inpatient surgical settings. Recognized for exceptional ability to build rapport with patients, leading to increased satisfaction and trust. Committed to advocating for patient needs and ensuring a safe and supportive environment throughout the surgical process. Proficient in the use of electronic health records and patient management systems, ensuring accurate documentation and patient care tracking.

## WORK EXPERIENCE

### Surgical Care Nurse | Outpatient Surgery Center

Jan 2022 – Present

- Provided pre-operative assessments and prepared patients for outpatient surgical procedures.
- Monitored recovery progress and managed post-operative care for same-day discharge patients.
- Educated patients and families on surgical procedures and recovery expectations.
- Collaborated with surgeons to streamline outpatient care processes.
- Implemented follow-up protocols that improved patient compliance with post-operative care.
- Maintained thorough documentation of patient care and interactions.

### Surgical Nurse Intern | General Medical Center

Jul 2019 – Dec 2021

- Assisted in surgical procedures, providing support to the surgical team.
- Learned to conduct pre-operative evaluations and documentation.
- Participated in patient education initiatives to enhance understanding of surgical processes.
- Monitored patients post-surgery and reported any concerns to the nursing staff.
- Engaged in quality improvement discussions to enhance patient care delivery.
- Contributed to infection control practices, ensuring compliance with safety standards.
