MICHAEL ANDERSON

SURGICAL TECHNOLOGIST

Compassionate and detail-oriented Surgical Technologist with over 4 years of experience in outpatient and inpatient surgical settings. Adept at assisting in a wide range of surgical procedures while maintaining the highest standards of patient safety and surgical integrity. A strong advocate for patient-centered care, ensuring that patients are comfortable and informed before their procedures.

PROFESSIONAL EXPERIENCE

Outpatient Surgery Center

Mar 2018 - Present

Surgical Technologist

- Assisted in over 200 outpatient surgical procedures, ensuring all instruments were sterile and ready.
- Educated patients about the surgical process, improving their comfort and understanding.
- Worked closely with surgeons to anticipate needs and provide timely support during procedures.
- Managed post-operative care and ensured compliance with discharge protocols.
- Maintained accurate inventory of surgical supplies and equipment.
- Participated in regular training to stay updated on surgical advancements.

Community Medical Center

Dec 2015 - Jan 2018

Surgical Assistant

- Supported surgical teams in various specialties, assisting with setup and clean-up duties.
- Ensured compliance with health and safety regulations in the operating room.
- Documented surgical procedures and maintained patient records with accuracy.
- Engaged in patient education to prepare them for surgery and recovery.
- Collaborated with nurses and anesthesiologists to ensure optimal care.
- Implemented best practices that improved surgical turnaround times.

ACHIEVEMENTS

- Received commendation for outstanding patient interaction and care.
- Reduced instrument preparation time by 10% through effective organization.
- Contributed to a 98% patient satisfaction rate based on follow-up surveys.
