PROFILE

Results-driven Surgical Ward Consultant with 10 years of experience in both public and private healthcare settings. Strong foundation in surgical nursing, with a focus on improving patient outcomes through effective care coordination and evidence-based practices. Experienced in training nursing staff and implementing surgical protocols that enhance efficiency and safety. Proven ability to work collaboratively with surgeons and other healthcare professionals to ensure comprehensive patient care.

EXPERIENCE

SURGICAL NURSE CONSULTANT

Greenwood Medical Center

2016 - Present

- Provided expert nursing care in the surgical ward, focusing on preoperative and postoperative management.
- Developed and implemented training programs for nursing staff on surgical protocols and patient safety.
- Assisted in the coordination of surgical schedules, optimizing resource allocation.
- Monitored patient vitals and responded to changes in condition promptly.
- Facilitated interdisciplinary meetings to discuss patient progress and discharge planning.
- Contributed to the development of a surgical checklist that improved compliance with safety standards.

CLINICAL SURGICAL NURSE

Sunnydale Surgical Institute

2014 - 2016

- Delivered direct patient care in the surgical unit, ensuring adherence to care plans.
- Conducted preoperative assessments and informed patients about surgical procedures.
- Collaborated with surgeons to ensure all necessary equipment was prepared and sterile.
- Educated patients on postoperative care and recovery expectations.
- Participated in quality assurance initiatives, enhancing patient safety measures.
- Assisted in research studies focused on improving surgical outcomes and patient satisfaction.
