# MICHAEL ANDERSON

## URBAN SURVEYING CONSULTANT

Strategic Surveying Consultant with a focus on urban planning and infrastructure development, bringing over 12 years of experience in the surveying industry. Adept at utilizing innovative technologies to streamline surveying processes, ensuring timely and accurate project delivery. Possesses a profound understanding of urban development regulations and zoning laws, enabling effective collaboration with city planners and developers.

## **PROFESSIONAL EXPERIENCE**

### **MetroSurvey Group**

*Mar 2018 - Present*

Urban Surveying Consultant

- Led urban surveying projects for city infrastructure development.
- Utilized drone technology for high-resolution aerial surveys.
- Collaborated with urban planners to ensure compliance with zoning laws.
- Conducted feasibility studies for proposed developments.
- Developed detailed mapping and reporting for city officials.
- Trained junior staff on urban surveying techniques and technologies.

### **Urban Planning Solutions**

*Dec 2015 - Jan 2018*

Survey Technician

- Assisted in conducting surveys for urban redevelopment projects.
- Compiled data for project proposals and presentations.
- Maintained surveying equipment and ensured accuracy in data collection.
- Supported project managers in coordinating site visits and inspections.
- Documented survey results and generated preliminary reports.
- Engaged with community stakeholders to address survey-related inquiries.

## **ACHIEVEMENTS**

- Successfully managed over 50 urban surveying projects with zero compliance issues.
- Awarded 'Best Urban Surveying Project' by the City Planning Association in 2020.
- Implemented a new surveying protocol that increased efficiency by 20%.
