WORK EXPERIENCE

Waste Management Project Lead

2020-2023

EcoWaste Solutions

- Led initiatives focused on reducing landfill waste through recycling programs.
- Developed partnerships with local businesses to promote waste diversion strategies.
- Conducted community workshops to educate residents on waste reduction practices.
- Monitored project outcomes and reported on waste diversion rates.
- Implemented tracking systems to assess the effectiveness of waste management strategies.
- Collaborated with government agencies to align projects with sustainability goals.

Sustainability Coordinator

2019-2020

City of Greenfield

- Coordinated municipal waste management programs focused on sustainability.
- Engaged with community members to promote recycling and composting initiatives.
- Developed educational resources to inform residents about waste reduction.
- Monitored and reported on program outcomes and sustainability metrics.
- Collaborated with local organizations to enhance sustainability efforts.
- Facilitated public meetings to gather feedback and improve waste management strategies.

ACHIEVEMENTS

- Achieved a 50% increase in recycling rates within two years.
- Recognized with the 'Green Leader Award' for excellence in waste management initiatives.
- Developed a community composting program that diverted 10 tons of waste from landfills.
