EDUCATION

BACHELOR OF SCIENCE IN ENVIRONMENTAL SCIENCE, UNIVERSITY OF FLORIDA, 2013

ACHIEVEMENTS

- Recognized for establishing the largest community garden in the city.
- Designed a curriculum adopted by local schools for environmental education.
- Secured funding for community gardening projects exceeding \$100,000.

PROFILE

Dedicated Sustainable Horticulture Specialist with 8 years of experience in urban agriculture and community gardening initiatives. Expertise in integrating sustainable practices within urban settings to enhance food security and promote biodiversity. Proven track record of collaborating with local governments and non-profits to develop community-based horticultural programs that empower residents and encourage environmental stewardship.

EXPERIENCE

URBAN HORTICULTURE COORDINATOR

City Green

2016 - Present

- Developed urban gardening programs that increased local food production.
- Managed community outreach initiatives to engage residents in gardening.
- Implemented vertical gardening solutions in public spaces.
- Organized training sessions on sustainable gardening techniques.
- Collaborated with local schools to promote environmental education.
- Monitored program outcomes to improve sustainability practices.

SUSTAINABILITY EDUCATOR

Green Urban Initiative

2014 - 2016

- Designed educational programs on sustainable horticulture for schools.
- Facilitated workshops on composting and organic gardening.
- Conducted community surveys to assess gardening interests.
- Developed partnerships with local businesses for resource sharing.
- Evaluated program effectiveness and made recommendations.
- Promoted biodiversity through native plant gardening initiatives.
