WORK EXPERIENCE

Sustainable Swine Production Manager

2020-2023

EcoFarms Ltd.

- Led the transition of a conventional farm to organic swine production, achieving certification within two years.
- Implemented sustainable feeding practices that reduced waste by 30%.
- Developed community outreach programs to educate on sustainable farming practices.
- Managed farm operations to ensure compliance with organic standards and regulations.
- Conducted workshops for staff on organic farming techniques and animal welfare.
- Collaborated with environmental organizations to promote sustainable practices.

Assistant Production Manager

2019-2020

Green Valley Farms

- Assisted in managing a 1,000-head organic pig farm, focusing on sustainable practices.
- Monitored herd health and welfare, implementing best practices for animal care.
- Supported the development of organic feeding programs that aligned with sustainability goals.
- Participated in community events to raise awareness about organic farming.
- Tracked production metrics to assess the impact of sustainable practices.
- Facilitated training for new staff on organic farming standards.

ACHIEVEMENTS

- Achieved organic certification for the farm, enhancing marketability and profitability.
- Recognized for leadership in promoting sustainable farming practices in the community.
- Implemented waste reduction strategies that significantly lowered operational costs.
