SUMMARY

As a dedicated Teacher Education Researcher with over 10 years of experience in educational policy and curriculum development, I have cultivated a deep understanding of the complexities involved in teacher training and effectiveness. My journey in education began as a classroom teacher, where I witnessed firsthand the challenges educators face.

WORK EXPERIENCE

Senior Research Analyst National Center for Teacher Quality

Jan 2023 - Present

- Conducted comprehensive research studies on teacher preparation programs across the country.
- Analyzed data to identify gaps in teacher training and proposed evidence-based solutions.
- Collaborated with educational institutions to develop best practices for teacher education.
- Presented findings at national conferences and published articles in academic journals.
- Facilitated workshops for educators on effective teaching strategies derived from research outcomes.
- Managed a team of junior researchers, providing mentorship and guidance on research methodologies.

Education Research Consultant Global Education Associates

Jan 2020 - Dec 2022

- Advised educational organizations on improving teacher training programs based on research findings.
 - Developed training materials and resources for teacher educators.
 - Evaluated the effectiveness of professional development initiatives for teachers.
 - Utilized statistical software to interpret research data and present results to stakeholders.
 - Engaged with policymakers to advocate for teacher education reforms.
 - Conducted site visits to observe and assess teacher training implementation.
-

EDUCATION

Ph.D. in Education Research, University of California, Berkeley

Sep 2019 - Oct 2020
