# MICHAEL ANDERSON

## DIRECTOR OF RESEARCH

As a passionate Teacher Education Researcher, I bring over 12 years of experience in educational reform and advocacy, particularly focusing on the policies that shape teacher preparation and professional development. My journey began in the classroom, where I quickly recognized the need for systemic change in how teachers are trained and supported.

## PROFESSIONAL EXPERIENCE

### **Center for Teacher Policy**

*Mar 2018 - Present*

Director of Research

- Led a team of researchers in evaluating teacher education policies across multiple states.
- Conducted policy analyses that informed legislative changes in teacher certification requirements.
- Collaborated with stakeholders to implement evidence-based practices in teacher training.
- Published research reports that highlighted best practices in teacher preparation.
- Presented findings to policymakers, influencing statewide educational reforms.
- Managed grant proposals and funding applications to support research initiatives.

### **Educational Reform Network**

*Dec 2015 - Jan 2018*

Senior Policy Analyst

- Conducted in-depth analyses of teacher preparation programs and their impact on student outcomes.
- Engaged with educational leaders to advocate for policy changes in teacher education.
- Developed policy briefs that summarized research findings for stakeholders.
- Organized forums to discuss challenges and solutions in teacher training.
- Utilized statistical software to analyze data sets related to teacher effectiveness.
- Provided recommendations to improve teacher recruitment and retention strategies.

## ACHIEVEMENTS

- Successfully advocated for policy reforms that improved teacher retention rates by 15%.
- Published influential reports that shaped the national conversation around teacher preparation.
- Awarded 'Champion of Education Reform' by the National Education Association in 2022.
