EDUCATION

**MASTER'S DEGREE IN EDUCATION,
UNIVERSITY OF SCIENCE, 2020**

ACHIEVEMENTS

- Improved student test scores by an average of 20% through tailored instructional strategies.
- Recognized for excellence in teaching by the local education board in 2021.
- Successfully led a team project that secured a grant for science program enhancements.

PROFILE

Results-oriented Teaching Fellow with a strong background in STEM education and a passion for fostering a love of learning among students. With over 3 years of experience in teaching high school science, I have developed a reputation for creating dynamic lesson plans that incorporate hands-on experiments and real-world applications of scientific concepts.

EXPERIENCE

TEACHING FELLOW - SCIENCE

City High School

2016 - Present

- Designed and implemented interactive lesson plans for biology and chemistry courses.
- Conducted laboratory experiments that promote inquiry-based learning.
- Collaborated with fellow educators to integrate STEM curriculum across disciplines.
- Utilized technology to create virtual lab experiences for remote learning.
- Assessed student understanding through formative assessments and feedback.
- Organized science fairs and competitions to enhance student engagement.

SCIENCE TUTOR

Private Tutoring Center

2014 - 2016

- Provided one-on-one tutoring in biology and chemistry to high school students.
- Developed personalized study plans based on individual student needs and goals.
- Utilized engaging teaching strategies to improve student comprehension and retention.
- Monitored and reported on student progress to parents and teachers.
- Facilitated group study sessions to foster peer collaboration.
- Created supplemental resources to aid learning and exam preparation.
