MICHAEL ANDERSON

PROGRAM DIRECTOR

Results-oriented Technical Course Coordinator with a decade of experience in the nonprofit sector, focusing on technology education for underrepresented communities. Proven track record in developing inclusive and accessible training programs that empower individuals with essential technical skills. Strong advocate for diversity in tech education and passionate about bridging the digital divide.

PROFESSIONAL EXPERIENCE

Tech for All

Mar 2018 - Present

Program Director

- Led the development of technology training programs serving over 500 participants annually.
- Secured funding through grants to support program expansion and sustainability.
- Collaborated with community organizations to promote inclusivity in tech education.
- Designed curriculum tailored to the needs of diverse learner populations.
- Implemented metrics to gauge program success and participant outcomes.
- Facilitated workshops and training sessions, enhancing community engagement.

Code for Good

Dec 2015 - Jan 2018

Technical Course Instructor

- Taught coding and digital literacy courses to low-income youth, improving job readiness skills.
- Created interactive lesson plans and resources to enhance student learning experiences.
- Monitored student progress and provided personalized support to ensure success.
- Collaborated with local businesses to create internship opportunities for graduates.
- Evaluated program effectiveness through student feedback and performance metrics.
- Organized community events to showcase student projects and achievements.

ACHIEVEMENTS

- Increased participant completion rates by 60% through tailored support and resources.
- Recognized with a community impact award for outstanding contributions to tech education.
- Successfully launched a scholarship program for underrepresented students in tech.
