Michael Anderson

INSTRUCTIONAL TECHNOLOGY CONSULTANT

I am a dedicated Technical Education Consultant with over 9 years of experience specializing in higher education. My focus is on developing innovative instructional strategies that leverage technology to enhance student learning and engagement. I have a proven track record of collaborating with faculty to integrate cutting-edge tools into the curriculum, creating a dynamic and interactive learning environment.

EXPERIENCE

INSTRUCTIONAL TECHNOLOGY CONSULTANT

University of Innovation

2016 - Present

- Collaborated with faculty to redesign 20 courses to incorporate blended learning models.
- Trained over 100 instructors on using new educational technologies effectively.
- Developed assessment tools to measure the impact of technology on student learning outcomes.
- Facilitated focus groups to gather faculty feedback on technology integration.
- Analyzed student engagement data to inform instructional improvements.
- Coordinated a campus-wide initiative to promote digital literacy among students.

E-LEARNING SPECIALIST

Global Education Services

2014 - 2016

- Designed and implemented online courses for adult learners, achieving a 95% completion rate.
- Utilized multimedia tools to enhance course interactivity and student engagement.
- Conducted training sessions for faculty on best practices in online instruction.
- Evaluated user feedback to continually improve online course offerings.
- Developed a resource library for faculty to access instructional materials and tools.
- Worked with IT to resolve technical issues, ensuring smooth course delivery.
