MICHAEL ANDERSON

QUALITY ASSURANCE MANAGER

As a Technical Education Quality Specialist with 9 years of experience in the vocational training sector, I have honed my skills in quality assessment and curriculum development to enhance educational outcomes for learners. My career began as a vocational instructor, where I realized the critical role quality plays in effective teaching and learning.

PROFESSIONAL EXPERIENCE

Vocational Skills Academy

Mar 2018 - Present

Quality Assurance Manager

- Oversaw the quality assurance program, ensuring compliance with state and federal regulations.
- Developed training materials and conducted workshops for instructors on effective teaching strategies.
- Implemented assessment tools that improved student learning outcomes by 15%.
- Collaborated with local industry partners to align curriculum with workforce needs.
- Managed program accreditation processes, achieving successful renewals on schedule.
- Utilized performance metrics to evaluate program effectiveness and drive improvements.

Career Path Institute

Dec 2015 - Jan 2018

Vocational Instructor

- Taught courses in technical subjects, focusing on hands-on learning and real-world applications.
- Developed course outlines and instructional materials to enhance student engagement.
- Conducted assessments and provided feedback to students to promote continuous learning.
- Engaged with local employers to provide students with internship opportunities.
- Participated in curriculum development committees to ensure relevance and quality.
- Received high evaluations from students for instructional effectiveness and engagement.

ACHIEVEMENTS

- Increased program completion rates by 20% through strategic curriculum revisions.
- Recognized with the 'Excellence in Teaching Award' for outstanding instructional contributions.
- Successfully led a team to achieve national accreditation for vocational programs.
