Michael Anderson

MOBILE APP DEVELOPMENT INSTRUCTOR

A passionate Technical Faculty member with extensive expertise in mobile application development and user experience design. With over 9 years of teaching experience, I specialize in creating engaging curriculum that prepares students for careers in app development. My courses focus on both the technical and creative aspects of mobile technology, ensuring that students gain a comprehensive understanding of the development process.

EXPERIENCE

MOBILE APP DEVELOPMENT INSTRUCTOR

Tech Institute

2016 - Present

- Developed engaging curriculum for mobile app development, including Android and iOS platforms.
- Conducted hands-on labs where students built and tested their own applications.
- Collaborated with local startups to provide students with real-world project opportunities.
- Utilized project-based learning to enhance student engagement and retention.
- Organized hackathons to encourage creativity and teamwork among students.
- Provided continuous feedback and support to foster student growth.

USER EXPERIENCE DESIGNER

Mobile Solutions Co.

2014 - 2016

- Led user experience design projects for various mobile applications, improving user satisfaction scores by 25%.
- Conducted usability testing sessions to gather user feedback and iteratively improve product designs.
- Worked closely with developers to ensure design feasibility and implementation.
- Created wireframes and prototypes to visualize design concepts.
- Collaborated with marketing teams to align branding with user experience.
- Trained junior designers on best practices and design methodologies.
