Michael Anderson

INSTRUCTIONAL DESIGNER AND COMMUNITY EDUCATOR

Creative Technical Instructional Designer with over 7 years in the non-profit sector, focusing on community education and outreach programs. My experience includes designing educational content that promotes awareness and engagement in social issues. I have developed a range of training materials, from interactive e-learning courses to in-person workshops, that cater to diverse audiences.

EXPERIENCE

INSTRUCTIONAL DESIGNER AND COMMUNITY EDUCATOR

Non-Profit Education Network

2016 - Present

- Designed and implemented community education programs that reached over 1,000 participants annually.
- Created multimedia training materials that increased workshop attendance by 50%.
- Collaborated with local organizations to develop tailored educational content addressing community needs.
- Facilitated workshops on social issues, enhancing community engagement and awareness.
- Evaluated program effectiveness through participant feedback and community impact assessments.
- Developed an online resource hub that provided access to educational materials for community members.

E-LEARNING DEVELOPER

Community Learning Center

2014 - 2016

- Created engaging online courses for community programs, increasing enrollment by 30%.
- Utilized design thinking principles to enhance user experience and course effectiveness.
- Worked with community partners to align training content with local needs and resources.
- Conducted surveys to gather feedback on course content and delivery methods.
- Designed assessments that measured learning outcomes and program impact.
- Facilitated training for volunteer educators on effective instructional techniques.
