

MICHAEL ANDERSON

Web Development Instructor

- San Francisco, CA
- (555) 234-5678
- michael.anderson@email.com

I am a dedicated Technical Instructor with over 6 years of experience in teaching web development. My career began in front-end development, where I gained proficiency in HTML, CSS, and JavaScript. Transitioning into education, I have focused on creating a curriculum that empowers students to build responsive and dynamic websites. My teaching philosophy emphasizes hands-on projects and real-world applications, enabling students to apply their skills in practical scenarios.

WORK EXPERIENCE

Web Development Instructor | Web Academy

Jan 2022 – Present

- Designed and delivered a comprehensive curriculum for web development courses.
- Utilized project-based learning to enhance student engagement and skills.
- Conducted code reviews to provide feedback on student projects.
