EDUCATION

ASSOCIATE DEGREE IN INDUSTRIAL TECHNOLOGY, TECHNICAL COLLEGE

ACHIEVEMENTS

- Recognized with the 'Safety Excellence Award' for outstanding contributions to workplace safety in 2020.
- Implemented a training program that improved production efficiency by 30%.
- Developed a safety training manual adopted company-wide, enhancing employee knowledge and compliance.

Experienced Technical Training Facilitator with a strong background in the manufacturing industry, specializing in safety training and operational efficiency. My career spans over 12 years, beginning as a production operator where I identified the need for comprehensive safety training programs. I transitioned to training facilitation, focusing on enhancing workforce skills to minimize workplace incidents and improve productivity.

WORK EXPERIENCE

TECHNICAL TRAINING FACILITATOR

Manufacturing Solutions Inc.

2020 - 2025

- Designed and delivered safety training programs for over 500 employees, resulting in a 40% reduction in workplace incidents.
- Conducted skills assessments to identify training gaps and customize learning experiences.
- Collaborated with safety managers to ensure compliance with industry regulations and standards.
- Created dynamic training materials that incorporated hands-on activities and simulations.
- Facilitated training sessions that enhanced employee engagement and retention of safety protocols.
- Monitored training outcomes and adjusted programs based on feedback and performance data.

PRODUCTION OPERATOR

Global Manufacturing Corp.

2015 - 2020

- Operated production machinery while adhering to safety standards and procedures.
- Identified safety hazards and contributed to the development of safety training materials.
- Participated in continuous improvement initiatives to enhance production processes.
- Trained new employees on operational procedures and safety practices.
- Achieved recognition for maintaining a zero-incident record during my tenure.
- Contributed to a team-based approach that improved overall production efficiency by 30%.
