

MICHAEL ANDERSON

TEHSILDAR

PROFILE

Highly accomplished Tehsildar with a robust background in fiscal management and regulatory compliance. Expertise in evaluating land use policies and implementing strategies that promote sustainable development. Proven history of enhancing operational frameworks, resulting in increased efficiency and transparency within local governance. Demonstrated ability to lead cross-functional teams in high-pressure environments, ensuring adherence to statutory obligations.

EXPERIENCE

TEHSILDAR

Revenue Department

2016 - Present

- Oversaw the implementation of land use policies and regulations.
- Conducted audits of revenue collection processes to identify areas for improvement.
- Collaborated with environmental agencies to promote sustainable land practices.
- Facilitated training workshops for local government officials.
- Managed public inquiries and provided timely resolutions to land-related issues.
- Enhanced community outreach initiatives to improve public awareness of services.

DEPUTY TEHSILDAR

Block Development Office

2014 - 2016

- Assisted in the execution of land acquisition for infrastructure projects.
- Maintained comprehensive records of land transactions and ownership.
- Served as a liaison between government and community stakeholders.
- Prepared detailed reports on land revenue trends for senior management.
- Implemented community feedback mechanisms to enhance service delivery.
- Participated in regional planning committees to address land use challenges.
