# MICHAEL ANDERSON

## SCRIPTED SERIES EDITOR

Innovative television editor with a strong background in crafting compelling narratives for scripted television series. Adept at transforming raw footage into polished, engaging stories that resonate with audiences. Proficient in a variety of editing software and technologies, ensuring the highest production quality. Proven experience in collaborating with writers and directors to refine storytelling elements and enhance character development.

## PROFESSIONAL EXPERIENCE

### **Prime Time Networks**

*Mar 2018 - Present*

Scripted Series Editor

- Edited multiple seasons of popular scripted television series, enhancing character arcs and narrative depth.
- Utilized Adobe Premiere Pro and DaVinci Resolve for advanced editing and color grading.
- Collaborated with directors to ensure the vision of the series was accurately represented in the edits.
- Implemented feedback from focus groups to refine episodes before airing.
- Maintained a detailed editing schedule to ensure timely delivery of episodes.
- Achieved a 90% positive audience rating through strategic editing choices.

### **Emerging Talent Productions**

*Dec 2015 - Jan 2018*

Junior Editor

- Supported lead editors in the post-production of various scripted projects.
- Conducted initial cuts and assembled footage for review.
- Ensured all media assets were organized and accessible for the editing team.
- Collaborated with sound engineers to enhance audio quality in final edits.
- Participated in creative meetings to discuss narrative structure and pacing.
- Contributed to a 15% increase in viewer ratings through effective editing techniques.

## ACHIEVEMENTS

- Won the Golden Reel Award for Outstanding Editing in a Dramatic Series.
- Recognized for innovative narrative techniques that improved episode engagement.
- Selected to participate in an exclusive editing workshop led by industry veterans.
