MICHAEL ANDERSON

TEXTILE PRINT OPERATOR

Meticulous Textile Printing Technician with a comprehensive understanding of textile manufacturing processes and a keen attention to detail. Specializes in the application of advanced printing techniques to achieve high-resolution prints on various fabric types. Expertise in troubleshooting and maintaining printing equipment ensures minimal downtime and optimal output quality. Consistently meets strict deadlines while maintaining adherence to quality standards, contributing to overall production goals.

PROFESSIONAL EXPERIENCE

Fabric Artistry Group

Mar 2018 - Present

Textile Print Operator

- Operated a variety of textile printing machines, ensuring quality output.
- Monitored production runs and adjusted settings to maintain color accuracy.
- Conducted routine maintenance on printing equipment to prevent malfunctions.
- Collaborated with the design team to finalize print layouts.
- Implemented quality checks throughout the production process.
- Documented production results and reported discrepancies to management.

Classic Textiles Co.

Dec 2015 - Jan 2018

Assistant Textile Technician

- Assisted in the setup and operation of digital printing machines.
- Helped in preparing fabrics and inks for production runs.
- Participated in quality inspections, ensuring compliance with standards.
- Trained in color matching techniques to enhance print accuracy.
- Supported the team in maintaining clean and organized workspaces.
- Contributed to team meetings to discuss production strategies.

ACHIEVEMENTS

- Reduced waste in production processes by 15% through improved practices.
- Recognized for exceptional performance during peak production periods.
- Achieved a 99% accuracy rate in print production over 12 months.
