EXPERTISE SKILLS

- industrial weaving
- lean manufacturing
- team management
- quality control
- machine maintenance
- process optimization

LANGUAGES

- English
- Spanish
- French

CERTIFICATION

- Bachelor of Engineering in Textile Technology, Textile University

MICHAEL ANDERSON

PRODUCTION MANAGER - WEAVING

Expert Textile Weaver with a rich background in industrial textile manufacturing, specializing in large-scale production and the optimization of weaving technologies. With over 18 years of experience, this professional excels in developing efficient weaving processes that maximize output while minimizing waste. Adept at utilizing advanced machinery and implementing quality control systems that guarantee product excellence.

PROFESSIONAL EXPERIENCE

Textile Innovations Corp.

Mar 2018 - Present

Production Manager - Weaving

- Oversaw the complete weaving process, ensuring adherence to production schedules.
- Implemented lean manufacturing principles that reduced operational costs by 15%.
- Led a team of over 50 weavers, focusing on skill development and efficiency.
- Monitored machine performance and initiated repairs to minimize downtime.
- Conducted regular audits to ensure compliance with safety and quality standards.
- Collaborated with R&D to develop new textile products for emerging markets.

Global Fabrics Inc.

Dec 2015 - Jan 2018

Senior Textile Technician

- Managed the setup and calibration of weaving machines for optimal performance.
- Conducted training sessions on new machinery for operational staff.
- Developed maintenance schedules to enhance machine longevity.
- Analyzed production data to identify inefficiencies and implement corrective actions.
- Collaborated with design teams to create innovative fabric solutions.
- Ensured raw material quality met production requirements through rigorous testing.

ACHIEVEMENTS

- Successfully reduced production lead times by 25% through process reengineering.
- Recognized for excellence in team leadership at the National Textile Awards.
- Developed a training manual adopted company-wide for new weavers.
