## **EXPERTISE SKILLS**

- operational management
- maintenance optimization
- performance assessment
- troubleshooting
- data analysis
- safety compliance

## **LANGUAGES**

- English
- Spanish
- French

## **CERTIFICATION**

- Bachelor of Science in Thermal Engineering from University of Illinois, Urbana-Champaign

# MICHAEL ANDERSON

## OPERATIONS ENGINEER

Dynamic Thermal Power Plant Engineer with over 9 years of hands-on experience in the operational management and optimization of thermal energy systems. Known for a pragmatic approach to engineering challenges, combining technical proficiency with a deep understanding of plant operations. Expertise in conducting performance assessments, troubleshooting complex systems, and implementing process improvements that drive efficiency and reduce costs.

## **PROFESSIONAL EXPERIENCE**

### **Thermal Dynamics Corp.**

*Mar 2018 - Present*

#### Operations Engineer

- Managed daily operations of a 300 MW thermal power facility.
- Conducted routine maintenance inspections to ensure compliance with safety standards.
- Analyzed operational data to identify trends and implement corrective actions.
- Developed and executed maintenance schedules to minimize downtime.
- Coordinated with vendors for procurement of critical spare parts.
- Trained operators on new procedures and safety protocols.

### **Power Solutions Ltd.**

*Dec 2015 - Jan 2018*

#### Junior Thermal Engineer

- Assisted in the design and testing of thermal systems for new power projects.
- Conducted performance tests and documented results for system optimization.
- Collaborated with senior engineers on project specifications and requirements.
- Participated in safety audits to enhance operational safety.
- Provided technical support during plant commissioning phases.
- Engaged in continuous learning to keep up with industry advancements.

## **ACHIEVEMENTS**

- Recognized for achieving a 10% reduction in operational costs through efficiency initiatives.
- Received 'Employee of the Month' for outstanding contributions to a major project.
- Successfully led a team to win a safety excellence award.
