## SKILLS

- TIG welding
- structural fabrication
- engineering drawings
- safety regulations
- teamwork
- quality control

## EDUCATION

**CERTIFICATE IN STRUCTURAL WELDING,  
TRADE SCHOOL OF CONSTRUCTION, 2015**

## LANGUAGE

- English
- Spanish
- German

## ACHIEVEMENTS

- Received a safety award for achieving zero incidents on the job site for over a year.
- Completed a major project ahead of schedule, saving the company significant costs.
- Earned recognition for outstanding contributions to team performance.

# Michael Anderson

## STRUCTURAL TIG WELDER

Dynamic TIG Welder with a rich background in the construction industry, specializing in structural welding and metal fabrication. Possesses a thorough grasp of welding codes and standards, ensuring compliance in all projects undertaken. Highly proficient in working with various metals and alloys, demonstrating an ability to adapt techniques to achieve desired results.

## EXPERIENCE

### STRUCTURAL TIG WELDER

BuildRight Construction

2016 - Present

- Executed structural welding on commercial and residential construction projects.
- Interpreted engineering drawings to ensure accurate weld placements.
- Maintained compliance with OSHA safety standards throughout operations.
- Collaborated with site managers to streamline project timelines.
- Trained new hires on welding techniques and safety protocols.
- Achieved a reputation for completing projects ahead of schedule.

### TIG WELDER

Metal Structure Innovations

2014 - 2016

- Performed TIG welding on various structural components for construction projects.
- Ensured adherence to building codes and safety regulations.
- Operated welding machinery with precision and care.
- Participated in quality control inspections and reporting.
- Documented welding processes for future reference and training.
- Recognized for exceptional teamwork and problem-solving abilities.
